The *Bartram Choice Neighborhoods Transformation Plan* is an opportunity to reimagine Bartram Village and create a vision for the Southwest Philadelphia neighborhood. After the two-year planning process is complete, another 18 months will follow with community-driven Action Activities to kick off the area's transformation.

### BE A NEIGHBORHOOD AMBASSADOR!

» Neighborhood Ambassadors will work closely with the community throughout the planning process. Ambassadors will be expected to attend meetings, share information with their neighbors, and encourage them to participate. Ambassadors will receive a small stipend for their work.
